What is Our Community Centre all About

Since its beginning in 1991, Waterfront Neighbourhood Centre, (formerly Harbourfront Community Centre) has offered a safe and supportive environment for our diverse, multi-cultural neighbourhood. We respond to the particular needs of vulnerable children, youth-at-risk and isolated adults as well as work closely with community members to improve the quality of life for everyone living in our downtown neighbourhood.

As a non-profit organization, the Waterfront Neighbourhood Centre (WNC) is supported by a volunteer board and is partially funded by the City of Toronto for administrative staffing and building related costs. We rely on donations from community-minded individuals, foundations and corporations to fund the many programs and services that we offer. We believe that communities remain strong when everyone works together.
